**Directions:** Cut Whisper White 5 ½" x 8 ½" and fold. Score at 4 ¼" this time to give you a different fold. It will flip from top. This is your base. Add a Real Red cardstock (4 ¼" x 5 ½") to your base. Cut your Black to Black Designer paper (tulip pattern) 4" x 5 ¼" and place over the red paper. Stamp and punch out your flower from Beautiful Bunch using the Flower Punch. Lay aside. Cut a strip in the red cardstock 2" x 4" and adhere in the center of your card. Now cut a piece of Whisper White cardstock and stamp your worm from Time to Celebrate. Remember to allow room for your flower on the left side. Adhere this to your red strip. Add the flower with a glue dot in the center.
